

FACE

THE THIRTY **30min**

\$60

The Thirty is perfect for those short on time who are looking to revive and brighten their skin.

Treatment includes double cleanse, professional enzyme exfoliation with steam, light extractions, high frequency, custom mask, scalp massage, serums and finishing creams.

THE BESPOKE **60min | 80min**

\$130 | \$150

The Bespoke consists of a thorough skin analysis, a treatment plan is then created based on your ultimate skin goals. This is a facial where every step of the treatment is customised to you.

Treatment can include a mixture of techniques and modalities such as; hydrodermabrasion, dermaplaning, custom peels, extractions, oxygen infusion, high frequency, ultrasonic infusion, lymphatic enzyme therapy, LED light therapy and or targeted electrolyte infused hydrojelly mask. You will also be treated to a relaxing facial, décolletage, shoulder & scalp massage.

- Add on any facial waxing or lash/brow tint for \$10

LED LIGHT THERAPY **30min**

\$70

This medical-grade treatment is scientifically proven to strengthen your skin cells, promote collagen production and encourage the healthiest possible skin. Inclusive of a double cleanse, enzyme exfoliation, LED light therapy and finishing creams.

SKIN NEEDLING **60min**

\$200

Stimulates the production of collagen to create smoother, healthier skin. It reduces acne scarring, stretch marks, fine lines, pigmentation, enlarged pores and blackheads. Treatment includes LED light therapy.

- Add neck and décolletage for \$70

HERBAL B PEEL **60min**

\$200

A natural peeling procedure for skin regeneration based on a mixture of natural herbs.

It provides immediate, glowing, plumped skin with no downtime or visible peeling.

Suitable for all skin types but great for sun-damaged, sluggish, dull & tired skins.

COSMO PEEL **60min**

\$280

Cosmo Peel is a superficial to medium depth peel used to treat the appearance of skin ageing, improve skin texture and smoothness, reduce sun damage and reduce acne and pigmentation scarring. 12% and 14% strength are available depending on skin type and concerns. Skin must be prepped for a minimum of 2 weeks using a Vitamin A or glycolic prior to having this peel. Downtime 5-7 days, side effects include mild to moderate skin shedding. This treatment can be done on a monthly basis, we recommend 3 treatments to achieve optimum results.
